

PHISCO DISTRIBUTING INC.

2025 CATALOG

Luxury Outdoor Furniture

WHERE COMFORT MEETS QUALITY & LONGEVITY.

Phisco's Commitment

We are committed to providing a *"Quick Ship"* program designed to fulfill orders at an increased pace satisfying the consumers need for instant gratification for higher end goods. Each collection comes in the specified wicker and fabric color listed on each collection page only. **All items ship directly from our Lexington, NC warehouse.**

ALL-WEATHER WICKER

Our all-weather wicker furnishings are crafted from premium quality HDPE (high density polyethylene), hand woven over reinforced aluminum frames. Lab tested for fade, sag, and mildew resistance. **All-weather wicker is virtually maintenance free.**

CUSHIONS

Our deep seating cushions offer ultimate comfort, resilience and wearability. A plush solid core is wrapped in polyester batting, then encased in a water-resistant polypropylene barrier making our cushions exceptional for outdoor use. **All fabrics are made from Sunbrella Outdoor material.**

WARRANTY

Outdoor Wicker / Aluminum Warranties

Our Outdoor Wicker is warranted for five years on the aluminum frames, three years on the resin weave and one year on cushions. Warranties are against manufacture defects. **All warranties are from date of purchase and apply to original owner only.**

Care & Maintenance

RESIN WEAVE

Woven furniture is manufactured using premium HDPE (high density polyethylene) resin. Lab tested for fade, sag, and mildew resistance, our resin weave is virtually maintenance free. If needed, simply rinse with water and dry with a soft cloth.

CUSHIONS

Cushions offer state-of-the-art comfort, resilience and wearability. A solid foam core is wrapped in polyester batting and encased in a water-resistant polypropylene barrier, making them unsurpassed for outdoor use. Cushion fabrics are 100% solution-dyed acrylic. To clean cushions, brush off any loose dirt and spot clean using mild soap and water. Rinse thoroughly and allow to air dry. Do not use harsh chemicals to clean. To maximize cushion life, we recommend rotating and flipping cushions regularly and covering when not in use.

HOW TO HANDLE A WARRANTY

All warranties apply to original owner only and require dated receipt. In addition, photos will be required when the warranty is submitted. Warranties will be at the discretion of the manufacture and will be advised by Phisco if a replacement is needed, or if a simple repair can be made.

Please contact customer service at 717-335-1670 or email to phiscoorders@gmail.com to file a claim. Warranties are defined as manufacture defects and exclude acts of nature such as wind damage, tree / limb damage, animal destruction and abuse of any kind.
